Re: IBM Docket No. RPS920010058US1
Our File No. 7036-P182US

Dear Bruce:

Enclosed is the final form of the above-referenced patent application, Information Disclosure Statement, PTO Form 1449 and drawings ready for filing in the U.S. Patent and Trademark Office. A diskette containing copies of the application in Microsoft Word 97 is also enclosed.

If there is anything else you need for me to do relative to this matter, please contact me as soon as possible.

Very truly yours,

Kelly K. Kordzik
